Re: Trustees of the Mason Tenders District Council Welfare Fund, *et al.* v.  
Metro Demolition Contracting Corp., *et al.*  
07 Civ. 3608 (VM)

Dear Judge Marrero:

**MEMO ENDORSED**

This letter is submitted on behalf of the Defendants World Class Demolition Corp. and Maurizio Bordone in the above reference action relative to your recent Order filed October 16, 2007 requiring a response to Plaintiff's First Set of Interrogatories and First Document Request by October 19, 2007.

That due to a lack of staffing, our clients set forth above have been unable to comply with Plaintiff's demands as of today's date. I was assured by them, that they have been working to obtain the documentation requested and are currently in the process of obtaining said documents. The document demand is stated for a period of two and one half years and I am advised that response is voluminous.

Accordingly, we respectfully request that the Court extend our clients' time to comply with said demands for an additional two week period up to and including November 2, 2007.

Respectfully,

Mark L. Hankin
